# Island Of Dreams

7 0 1

## Chapter 1 by Lex

"WELCOME TO DREAMLAND!! Where all of your dreams come true in a flash!" A woman stood on the docks of some huge island that practically sparkled. She was tall, kinda tan like a caramel color, she had wide hips and a large chest, ( I mean those things are bouncing when she shakes her head no.) she had long flowy hair that was mint green, and these seductive hazel eyes, her lips full and plump, a delicate shade of pink. I have no idea what this island is, or where for that matter...but if all the women look like this sign me up for everything every year for the rest of my life!"

"Any thing your heart desires will always come true on this island due to its...magical nature, but don't ask because that's a secret. Any-who, i will escort you all to your rooms, let you settle, then you may meet me in the lobby for a grand tour! We would hope everything is to your liking, but of course it is here in Dreamland, because anything you don't like, just wish it away and think of something else!"
